

North Wilts MMOC at Salisbury Car Fest 8 September 2019

Our thanks to Peter Watts for suggesting and organising this day out to support the town of Salisbury. We met up at Three Trees Garden Centre, Chiseldon, and drove down through Marlborough, Pewsey and Amesbury to park in Salisbury's Market Square with a diverse collection of classics, Americana and supercars. Our ten cars attracted so much interest all day that it was difficult to get photographs!
