

NWMMOC 2024 Rally Report

Lechlade Vintage Rally and Country Show. 5th May 2024

This is a report on North Wilts MMOC rally by **Gill Waters**

This year we were invited to join the Lechlade Vintage Rally and Country Show on the 5th May 2024.

The weather was kind to us - better in the morning than the afternoon - it rained as we travelled home so pretty good really.

The Committee arrived at 8.30 to get things set up, the gazebo etc, with tables for the raffle prizes and trophies.

We had 29 vehicles booked in. Some of which couldn't make it on the day, (their plaque was posted to them after the event)

and then we had two vehicles that turned up on the day.

It is always a joy to welcome new people to our branch, and we met new members of the branch whose cars couldn't be there but it was so good to catch up with Martin O'Brien, Stuart Richards and his son and Steven Gullick.

These are the winners:

Traveller MOM972F Phil Rendle

4 door MSK556 Bruce Ephgrave

MM GBL705 Graham Holt

2 door UHH541 Shaun Brewer

in the background) Recognition for
helping organise the rally this year.

Golden Spanner - Steve Chater (person who helped other members with their car's mechanics)

Stuart Richards and his son awarded the 'Shortest Distance Travelled' by the Lechlade Show organisers

The Lechlade Vintage Rally organisers welcomed us to their huge site, with many attractions

We ended the day with some of our vehicles driving round in the parade ring, looking very smart and shiny.

A very good day.
