

Hamper progress no. 17 Handover to Swindon Night Shelter, 8 May

Of the 22 cars which contributed to the Hamper Relay, 9 were present on Saturday 8 May for the final handover at Goddard Park. The rain held off! Mike Welsh kindly provided refreshments.

Ian, for the Night Shelter, thanked us for our donations to the Food Bank supporting the homeless, needy and vulnerable in the area. He told us that last Wednesday alone, 94 people benefited from the Food Bank.

Special thanks to Mike and Veroniah for initiating the project, and to Alex Alexander for coordinating the Swindon group and making arrangements for handovers at iconic Swindon sites.

Mike showed us the school hall which he has offered to make available for Branch events in future. We look forward to taking him up on this.
