

HAMPER PROGRESS no. 6

Hamper 2 is on its way at last!

Bill (1970 Traveller) hands over to Steve (1970 Prison Van) on a breezy morning in Cirencester, Sunday 28 March. Thanks to Steve's neighbour Roger for taking the photo. Roger is the owner of this magnificent 1934 Lagonda Rapier, 1104cc dohc twin SU carb, 0-50 in 13 secs, top speed 75mph.

Hamper progress will depend on availability of members to meet up for the transfers. We will be in touch!
