

## HAMPER PROGRESS no. 7 Cirencester to Malmesbury

On 3 April Peter and Teresa Baddeley drove down from Painswick in their maroon Traveller (first reg. 1972) to meet Steve Chater at the Thames Head. They then went on to visit relatives in Hankerton, who also kindly donated items for the hamper. After coffee there they drove on to Malmesbury to meet Bill beside the River Avon.

Our thanks to the landlord of the Thames Head Inn, and to Peter's sister-in-law and husband Nick in Hankerton, who allowed this sneak peek at two intriguing Singers in the garage. Thanks to Teresa for the photographs.

The statue of Old Father Thames used to stand - or rather, recline - at the source of the river, near Kemble. It is now at St John's Lock (the first on the river) at Lechlade.
