

## HAMPER PROGRESS no. 8 Melksham to Marlborough

On Easter Monday Mac & Faye Jackson in Melksham took delivery of the hamper from Bill, with their immaculate and characterful black 1961 Traveller.

On Sunday 11th April they met Jeff Hide at [Cadley Garage](#), in Savernake Forest near Marlborough, where Jeff's 2-door saloon "Baggins" had been for a service.

Cadley proprietor Jon Horsley has the distinction of being one of the [Beaulieu 100](#), so Baggins is clearly in good hands.

Jeff writes:

"Despite the Easter delays, thanks to the efforts of Jon Horsley of the Cadley Classics Garage, my Baggins work was prioritised so that I was able to meet up with Mac and Faye and the hamper changed hands today. I attach two photographs as requested and will contact Keith Boffin today regarding the next leg."
