By next weekend, the hamper is expected to reach Pam and Ash Holmes in Castle Eaton.

Juliet delivering the hamper to Alastair Kinross in Ashton Keynes, Friday.

As delivered to Ruth, Seb and Penny the cat by Alastair, Friday.

Alastair brought the hamper to Quenington today. Unfortunately only one car in the photo as my Traveller "Daisy" in the garage getting new rubber seals. She's back now ready for the next leg to Cirencester tomorrow. Great to meet Alastair and to see his beautiful car. Ruth, Friday.

Hamper delivered to Steve in my lovely Traveller "Daisy" today. She has new rubber seals and is water tight which is just as well in this weather! Ruth, Saturday.
