

Hamper progress no. 5 HAMPER ONE DELIVERED: 123 miles

By the new lockdown the hamper had almost reached its halfway stage and was already overflowing, so we decided to present it to the Night Shelter as HAMPER ONE.

Mike Welsh organised a meeting at short notice at The Gate Community Cafe, Goddard Park. Bill picked the hamper up from Gill in Wroughton to take it there.

To complete the project, we will create HAMPER TWO after lockdown or in the New Year. We will be in touch with participating members as soon as we have a start date.

Bill hands over the first hamper from the Club Relay to Dan Read, Operations Manager of Swindon Night Shelter. Carmen Franklin, Chair of the Swindon Satellite Rotary Club who provided the hamper box and basket, looks on. The hamper contents are being distributed to families in need. There will be a second Hamper Relay after lockdown.
Mike Welsh, Wednesday 4 November.
