

NWMMOC HONORARY MEMBERS ELECTED

Roger and Liz Briance, along with their daughter Alison Shailes and her husband Rob, made a significant contribution to the branch in the past. Both Roger and Alison were Chairs at different times, and Alison wrote North Wilts Branch News for Minor Matters

They all now live in Indiana, USA, where they still have their Minors.

At the AGM it was decided to make them Honorary Members of North Wilts Branch. Certificates were sent to them along with the signatures of those members present at the AGM. They will also receive a pack of branch regalia.
