

NWMMOC - Indiana Section February 2020

Good Morning Bill and North Wilts MMOC Club,
Thank you for your email with all the news, I remember Chris's name but can't put a name to a face. I remember Brian and Freda, please pass on our regards to them.

Thank you for all our North Wilts goodies! We love them! As soon as Doris is out of hibernation I will be fitting her grill badge with pride! We will be waving the flag at the car shows as well!

I finally found a photo of us going through the drive through, that I have attached. Isobel my co-pilot was helping me after her softball game!

I also attach a couple of photos of Dad and myself after the British Classic car show. Can't wait for the spring and to be driving Doris again. She is celebrating her 50th Birthday on June 30th :)

Talk soon and thank you once again,
Alison, Rob and of course Doris!
