Colin Harper in Wootton Bassett has a full set of Practical Classics magazines from the first issue in 1980 to September 2000, in binders with an index. He needs to free up the space within the next few weeks and, if he can't find a taker, they will sadly have to go for recycling.

If you would be interested in taking them off Colin's hands, or if you know someone who would like them, please give him a ring on 01793 852817 or email him at [LCGHARPER@talktalk.net](mailto:LCGHARPER@talktalk.net).
