

Minor Message series 2 no. 11 Virtual Rally sticker

This year we did not have a North Wilts rally plaque, preferring to support the NHS through the Dragonfly Stayhome Rally plaques. This campaign raised £15,000 for NHS charities.

There is a terrific display of cars in the Dragonfly gallery [HERE](#). Click on any image for the full-size version (you don't have to create an account, just click on "Not Now").

The North Wilts committee felt that those who took part in our Virtual Rally should have a more lasting reminder for their vehicle.

As a result we have commissioned a window sticker, which should be ready soon.

Thank you Alex for sourcing and designing the sticker.
