

# Minor Messages Series 2 no. 3

## Branch Bubble 2

### When Florence met Daisy

Ruth Parsons with Daisy (1971 Traveller) and the Welsh family (Veronica, Mike, James, Lily and George) with Florence (1965 Convertible) met up over a socially distanced cup of coffee in the garden in Old Town, Swindon, on 8 July.

A Branch Bubble is when a small number of Minors meet up while observing Government guidelines.
