

Minor Message series 3 no. 1 Website update by Julian and Ash

<http://www.northwiltsmmoc.co.uk>

This year the Branch website, set up and maintained by Julian, has proved its worth as a stable platform and regularly-updated source of news and information for members. On behalf of the Branch I would like to acknowledge the patient work that Julian and Ash have both put in recently to transfer its management and update its contents. Ash is our new Webmaster.

The home page is not changed:

Under these tabs you will find contact details, branch events, and all the recent [Newsletters](#), [Minor Messages](#) and [Virtual Rally](#) photos and reports.

We would like to develop and improve the section in "Members" devoted to [Branch Cars](#) so your input would be welcome here.

Alex is working on an update of the [Regalia](#) page.

Links in [Past Events](#) go back to 2003 and Julian's John O'Groat's to Land's End trip. You will also find photos of the Lord Mayor's Show in 2004 and the Five Capitals Run in 2010 .

There's a lot of branch history here that we will revisit during our 40th anniversary year in 2021.

So please if you have not visited the website recently, do have a look now. Your comments will help us to take it forward and also reassure Ash that his efforts are not in vain!
