

Minor Message series 3 no. 5 Branch Bubble no. 8 An afternoon run

Alex, Steve Rogers, Harry and Kathleen went for a ride out.

It was a cloudy but dry and sunny day. We started out from West Swindon and headed toward Cirencester, via the back route through Minety, and Ashton Keynes. We crossed over the 419 then took the B4425 to Burford, and up to Stow-on-the-Wold. Then we took the A436 to Chipping Norton, we stopped there for having a cuppa and a chat in the town centre. Then getting back in our cars we headed onto the A361 to Burford / Lechlade road, we stopped at the Lechlade car park and we took a few photos, we then got back in the cars and headed towards Highworth / Swindon.

In total we did a journey of 90 miles round trip, it was a really nice afternoon drive which we all enjoyed and the scenery around the Cotswolds etc was absolutely amazing. What also was lovely as well was the response from some of the public's reaction on seeing our cars as we passed.

Harry, Kathleen, Alex and Steve, October 2020
