

## Minor Message series 3 no. 6 Branch Bubble no. 9 The Rose Revived

Hello, hope that this message finds you well.

On Monday the 19th of October Harry, Kathleen and Alex set out for an afternoon drive, we headed toward Common Platt (B4553), then onto Tadpole Lane, we then drove towards Blunsdon, Highworth, Coleshill and Faringdon. Then on the A4095 towards Witney.

From Witney we drove to Newbridge and stopped at the public house called "The Rose Revived" for a cup of tea and a bite to eat. We then did our photo shoot before we headed towards the A420 and on our way home . It was a another lovely drive out.
