

## Minor Message series 3 no. 7 Branch Bubble no. 10 Cowley Classic

On Sunday 25th of October Harry, Kathleen, Shirley and Steve went for a drive to the "Cowley Classic Car Show". We met up at the Freshbrook Centre for 10.00am and travelled towards Notcutts Garden Centre in Oxfordshire.

We booked ourselves in and got our directions, we then headed out for our 30 mile drive, the weather being dry and sunny. We then drove towards R.A.F Benson, then on to Chalgrove and through some picturesque little villages in South Oxford. We then headed back to Notcutts Garden Centre to complete our drive and have a cuppa and a chat.

There were a lot of different classic cars. Unfortunately the weather changed quickly to pouring rain, which curtailed the day. The trip back to Swindon along the A420 was through some more heavy rain showers, with Steve losing the passenger window wiper, which is in hand to repair. We got home safe and well, and we did all enjoy our day.

Harry, Kathleen, Shirley and Steve
