

# MINOR MESSAGE no.8

From Lesley Price, Minor Models

Julian received the following message, which we are passing on in case you wish to add to your model collection.

Hi there

My husband and I used to trade as L J Price (Minor Models) until we ceased in 2001 due to pressures of work. We still have stocks of the early collectible models as new from the factory.

The link is

[morrisminormodels.co.uk](http://morrisminormodels.co.uk)

Many thanks  
Lesley Price
