Dear Pam

On behalf of Wiltshire Air Ambulance, thank you for your wonderful donation of £107.00 from the North Wilts Morris Minor Owners Club Auction at your Soup and Spuds event. Please pass on our thanks to all your members and we truly appreciate your continued support and generosity.

Wiltshire Air Ambulance is a charity and relies on donations such as yours to continue saving lives. We receive no regular direct funding from the Government or National Lottery grants. It costs £4.5 million a year to continue flying and saving lives, which equates to over £12,000 per day.

We operate up to 19 hours a day, 365 days a year, to ensure we can be there for those who need us most. We can fly anywhere within Wiltshire in 11 minutes and to the centre of Bath in just four minutes – and the speed of our helicopter can make all the difference.

During 2023 we were called to 1,167 incidents across Wiltshire, Bath and surrounding areas, which is the equivalent of three missions per day. To find out more about our charity and to discover how your generous donation is used for our lifesaving work, why not sign up to our monthly e-newsletter here: <http://www.wiltshireairambulance.co.uk/newsletter>

Sending our very best wishes from the charity team and aircrew at Wiltshire Air Ambulance.

Yours sincerely
