

# NWMMOC NEWSLETTER

June 2022

Painswick Rococo Gardens, Saturday 21 May

Many thanks to Kathleen and Harry Ridley and to Teresa and Peter Baddeley, as well as the staff at the Rococo Gardens, for making this a splendid day out. The Baddeley family provided a gazebo, a loo in their field and eight varieties of cake!

## Salisbury Car Fest, Sunday 29 May

Our thanks to Peter Watts for organising our participation and a very nice day in Salisbury. Four branch cars attended. Below, Liz Watts with Alex Alexander.

Above, Peter Watts (left, in white) and Keith Boffin (right, in red) chat with visitors.

A rare Morris Isis, spotted outside the display area.

## A Thatched Traveller!

During the Salisbury event, Bill met Jim Goodland, who explained how he had created a thatched roof for a Traveller. You can see it [here](#).

## Just Giving

Our Just Giving page for the Ukraine crisis has reached its target of £100 and has now been closed. Thank you for contributing.

Our Cancer Research page will remain open until our Branch Rally on 25 September.

## Branch Liaison & Area Four

In recent months, Jenni Wood of Avon / Bristol Branch, who is also Area 4 Liaison Officer, has kindly sent us information and invitations to events in the West of England. Your committee is in discussions with her to develop this cooperation, with a view to offering members a wider programme of events. If you are attending the National Rally at Kelmarsh on 25-26 June, and would like to join Area 4 Branch Avenue, please mail Jenni at [mmoc.avon@gmail.com](mailto:mmoc.avon@gmail.com). Avon Branch will be changing its name to Bristol Branch. <https://www.avonbranchmmoc.co.uk> for details of events.

## Branch Liaison Meeting and MMOC AGM

Sunday 8 May at Footman James HQ, Dudley

Bill attended on behalf of North Wilts Branch. About 55 members were present and there were 4 Minors in the car park in addition to Bill's. The red split-screen belongs to the MMOC and is for sale. Topics discussed included Area 4 activities, MMOC rebates to branches, the FBHVC "Tree-V" carbon capture scheme, Young Members, insurance, the online Message Board, transferability of registration numbers, and plans and logos for the 25th Anniversary in 2023. At the AGM, accounts were presented for the year ending 31 Dec 2021. It was decided to keep the MMOC membership fee at its current level for the next year. Contact Bill for more information if you are interested.

Minors at Dudley, 8 May 2022

### GHR 800N

On 9 May Bill visited Andy Smith and GHR 800N at their home near Alfreton, Derbyshire. Andy is very cooperative with our changed plans and the car will be at REME on 25 September.
