

NWMMOC NEWSLETTER

September 2021

Bill flew the North Wilts Branch flag at the **Chippenham Cherished Vehicles Show** on 22 August and met Minor enthusiasts Mark Osland (new branch member) and Keith Ratcliffe - they both work in technical training at REME Lyneham. Loads of interesting cars, some very rare (never seen an Edsel Pacer in the metal before). Show winner was Bunny Lees-Smith's Cheynard & Walcker, built in France in 1912. An excellent show with lots of entertainment and food, drink and interest stalls. Next year's date is 5 June, so please note it in your diary for a possible Branch outing.

The **40th Anniversary Album** is almost ready to go to print.

Keith Boffin has sent information about **LED Daytime Running Light upgrades** for Minor headlamps: <https://www.powerfuluk.com/morris-minor-headlight-upgrade-drl-style-rhd.html>

We have been informed of a **Traveller for sale in Devizes**: please contact mystevaryman@hotmail.com

Mark Osland has sent a link to the **Castle Combe Autumn Classic** on Saturday 2 October: <https://castlecombecircuit.co.uk/race-days/autumn-classic>

You should have received an email from Gill re possible visit to **Pendon Landscape Model** (presented by **Chris Howard** in his Zoom talk earlier this year). Possible dates are 18 or 25 November but we need at least 20 people for the private group visit to be viable. Please let **Gill** know your availability asap.

Dates for your diary:

26 September: Croquet. To help with organisation of the groups, please inform Gill if you are attending, and please arrive on time.

14 October: Branch AGM 7.00pm, Goddard Park School, Swindon SN3 2QN

7 November: Drive out **18 or 25 November:** Pendon (if enough people)

12 December: Christmas lunch at the Bolingbroke Arms, Hook SN4 8DZ

Don't forget: all our Newsletters are on our website <http://www.northwiltsmmoc.co.uk>
