

NWMMOC NEWSLETTER

December 2020

The Chairman's 2020 AGM Report & Slideshow are [HERE](#) on our website.

Swindon, 22 August 2020

The Committee met on 22 November by Zoom to plan coming events: **Our Christmas Zoom Party** will be on **Saturday 12 December at 5:00pm**. It will include a quiz, a seasonal tune and a chance to raise a glass to fellow members. Watch out for details soon, and **when you receive them please inform Gill if you plan to attend**. Zoom has proved a lifeline for many organisations. If you do not use it but would like to try, please contact [Bill](#).

We will be holding a **Zoom Quiz on Saturday 23 January at 7:00pm**. Details will follow nearer the time.

The reports of **Hamper One** are [HERE](#) on our website, updated by Ash Holmes. **The second Hamper Relay** will take place as soon as possible in the **New Year**. We will contact all branch members as soon as we have a start date.

We are preparing to send out the **last Minor Messages** of 2020. Thanks are due to everyone who has contributed to this record of our Branch's commitment to Minors and their owners this year.

Don't forget it's the **Branch's 40th anniversary in 2021**. It would be nice if all our members and their cars could be included in a **40th Anniversary Album** so we need **your contributions!** Please look out some photos with your past cars (not necessarily Minors) or your involvement in Minor events. You may have photos of members who are no longer with us ... they are welcome too.

In the meantime, here is a photo of Snowdrop in 1996-7 along with one taken this year. Spot the differences! I do not know exactly when she was built, because the Adderley Park records were apparently lost in a fire. She was first registered on 1 December 1970 and has been on the road almost continuously, so it seems appropriate to include her here. A mere stripling in Minor terms, of course. We all have "survivors" in our care: if yours passes a significant milestone, please share it with us.
