

NWMMOC NEWSLETTER

January 2020

Recent events

Branch AGM. Thanks were expressed to all members who contributed to the life of the Branch over the past year. The committee was re-elected, with the addition of Cameron Bracher, whom we are pleased to welcome. Roger & Liz Briance and Alison & Rob Shailes, now living in Indiana, USA, were elected Honorary Members in recognition of their past contribution to the Branch. Certificates were sent to them, with the signatures of all members present at the AGM; a box of branch regalia has also been sent. Bill made a short presentation on "The History of the Branch", and is putting together a file of stories, from the branch's inauguration as "Moonraker Minors" in 1981 to the present day. We were pleased to welcome re-joining member Chris Howard, who has donated a Moonraker Minors T-shirt, and turned out to be the "mystery man" in some of the old branch photographs!

Christmas Lunch at the Red Lion, Castle Eaton, 15 December, was a great success. Thanks to Pam and Ash, and to Gill and Susie for organising it. Photos and report are [here](#).
