## AGM 2020 and Events 2020 - 21

The Committee met on 24 Sept and discussed a number of practical proposals for events in 2020-21, which could be carried out while observing social distancing and Government regulations. These will be sent out to members for responses and the results will be announced at the AGM, which is to take place via Zoom at 5:30pm on 15 October. A Zoom link will be sent out separately, along with the Agenda, Chairman's Report, Treasurer's Report, and other relevant documents. Even if you can't join the Zoom meeting, you can still register your vote with Gill. Details will be in the Agenda.
